

FIRST Insurance Funding's Continuing Education Credits

More Than Just Premium Finance.
Complete Financial Solutions.

FIRST is pleased to offer another, no cost, value added service to our premier business partners. Providing 3 hours of credit towards your Continuing Education requirements, FIRST's Premium Finance 101 is a DOI certified class designed to cover all aspects of the Premium Finance process:

Course Highlights:

- Explanation of the quote process.
- Review of information required for accurate quoting.
- Description of economics behind quote calculations.
- Review of collateral & risk assessment.
- Overview of legal obligations of all parties.

To learn more about FIRST's **Premium Finance 101** class, please contact Brenda Zwas at 925-270-6600, or bbzwas@firstinsurancefunding.com.

FIRST Insurance Funding Corp. is part of Wintrust Financial Corporation, a financial services holding company consisting of 15 community banks, commercial insurance premium finance services, wealth management services, short-term accounts receivable financing services and certain administrative services, such as data processing of payrolls, billing and treasury management services. Wintrust is well-capitalized with more than \$14 Billion in assets and is publicly traded on the NASDAQ Exchange (WTFC).
