

Newlymember Game

This game is on the lines of the Newlywed Game.

You have your existing member and their guest/potential new member sitting next to one another. Space each team of two (2) out in a line.

Provide blank paper and a dark marker to each existing member.

Have your guests/potential new members step out of the room.

Your game show host/hostess will ask each existing member a question about their guest/potential new member just to see how well they know them.

I used six (6) questions. First 5 questions are worth five (5) points, the last one is the Bonus Question and it's worth 10 points. The existing member is to write each of their answers on a separate sheet of paper provided to them. The questions were:

- I heard about NAIW/ISAP from _____.
- I've been in the insurance industry for _____ years.
- My favorite personal item within my work area is _____.
- Should I choose to become a member of NAIW/IAIP it would be for the _____.
- My favorite color I prefer to wear the most is _____.
- I've held _____ insurance positions within the last seven (7) years.

This is just an example of the questions you can use. Of course, making up your own is twice the fun. Once each member has answered all the questions, you may then invite your guests/potential new members back into the room to take a seat next to their team member. The game show host/hostess proceeds to ask the guests/potential new members the same questions. Once they've revealed their answer, the existing member lifts up their paper to reveal their answer. If it's a match, that team of two (2) earns five (5) points. The couple/team with the most points at the end of the game is declared the winner.

We provided a \$25.00 gift card to each winner. A total cost of \$50.00.
